Hello, Children!

Today I will read you a story. You will also learn to read and write some new words. You may already know some of them.

Hello, Children!

I have to say I have some questions for you. What day is it today? Will it rain today? Will we see the sun?

Today we will read again. This story is about two friends who both want a toad. What do you think they will do?

Day 4

Hello, Class,

Have you ever had to share something with a friend? Was it hard or easy for you? Have you ever gone to another friend for help?

Day 5

When we share, we all get a turn.

When we share, we all get some.

When we share, we all are glad.

Theme 7 Week 2 Day 1

We will read a story with a crow in it.

What do you think the crow will want?

Day 2

I like to read a good book again and again. What books do you want to read again?

Day 3

Good morning, children.

Today we will read about a bear. Do you like bears? Would you follow a bear?

Day 4

Yesterday we read a story about a bear. Most bears live in the woods. Do you have an idea of any other place a bear could live?

Day 5

You have learned a lot this year. You can now read more words. Two of them are tall and water. Can you write a note with them?

Good Morning, Class,

You drink lots of water so you will grow. How do you think trees grow?

Day 2

What food do you like best? Do you know how to make it? Tell a friend.

Day 3

Good Morning, Class,

Are you ready to read a new story? Soon we will start to read a very funny book.

Day 4

Here's another silly sentence about a pig.
Let's write another one under it. If a pig
wears shoes that are too tight, she might
squeal!

Day 5

What could you build with an old piece
of wood? What tools would you use?
